## **COURSE DESCRIPTIONS**

### **Defensive Pistol**

Covers personal defensive handgun shooting (street and home), combat mindset, gun handling and safety techniques, short range confrontations, moving and shooting, stoppages drills, and stress operation. **Equipment needed:** Handgun, 3 magazines, belt type holster and mag pouches, min 1000 rds, eye and ear protection

### **Advanced Defensive Pistol – (Tac Pro’s Defensive Pistol Course is a prerequisite)**

Covers defensive marksmanship techniques, combat mindset, low light shooting, ammunition selection, stoppage drills, moving and shooting with increased speed and accuracy under pressure. Find and advance personal limitations, for students wishing to reach maximum potential with a handgun. **Equipment needed:** Handgun, 3 magazines, belt type holster and mag pouches, min 1500 rds, eye and ear protection

### **Defensive Shotgun**

Covers marksmanship techniques, home defense, combat mindset, tactical skills needed to operate in most stress situations and conditions, immediate actions, stoppage drills, and ammunition selection. **Equipment needed:** Shotgun (pump or semi-auto) preferably with sling, min 250 rds bird shot (i.e. #6’s or 7 ½’s), 50 rds of ‘00’ buck shot, 25 solid slug rds, handgun with 2 magazines, a holster, 200 rds eye and ear protection

### **Advanced Defensive Shotgun – (Tac Pro’s Defensive Shotgun Course is a prerequisite)**

Covers marksmanship techniques, home defense, combat mindset, tactical skills needed to operate in most stress situations and conditions, immediate actions, stoppage drills, and ammunition selection. **Equipment needed:** Shotgun (pump or semi-auto) preferably with sling, min 250 rds bird shot (i.e. number 6’s or 7 ½’s), 100 rds of ‘00’ buck shot, 25 solid slug rds, handgun with 2 magazines, a holster, 200 rds, eye and ear protection

### **Defensive Carbine**

Covers zeroing and sights, combat mindset, marksmanship techniques, defensive shooting and positions, immediate action drills, stoppage drills, moving and shooting, and ammunition selection. **Equipment needed:** Carbine, 3 magazines, sling for carbine, min 800 rds, handgun with 2 magazines, a holster, 200 rds, eye and ear protection

### **Precision Rifle**

Covers all aspects of long range shooting (100 – 1000 yds), including fundamentals of marksmanship, safety, target selection, and positions. **Equipment needed:** Rifle with scope (bipods optional), binoculars or spotting scope, min 250 rds, eye and ear protection

### **Advanced Precision Rifle – (Tac Pro’s Precision Rifle Course is a prerequisite)**

Covers aspects of long range shooting (out to 1400 yds), moving targets, target selection, and positions. **Equipment needed:** Rifle with scope (bipods optional), binoculars or spotting scope, min 300 rds, eye and ear protection

### **Extreme Long Range – (Tac Pro’s Precision Rifle class is a prerequisite)**

Covers all aspects of long range engagements from 1000-2200 yards if the scope is capable of such. It will cover, in depth, wind and conditions, the Coriolis Effect or rotation of the Earth, long range mathematics and solutions, use of computer ballistics programs, map out trajectories and debunk common myths about long range shooting. **Equipment needed:** Magnum calibers suggested, min 250 rds, spotting scopes and range finders are recommended but not required.

### **Force on Force (Tac Pro’s Defensive Pistol Course is a prerequisite)**

Covers combat mindset and tactics. It uses simmunitions and reality based scenarios to reinforce training. **Equipment needed:** Simmunitions and ammo provided by Tac Pro

### **Fight at Night**

Covers shooting with light, mindset, and night time tactics. **Equipment needed:** handheld flashlight, weapon mounted lights are optional, handgun, 150 rds, long guns are optional, rifle – 50 rds, shotgun – 25 rds bird shot, eye and ear protection

### **Ladies High Tea**

Designed to introduce women to shooting. Tac Pro will provide a variety of handguns for the Ladies to shoot. Instructors will be on hand to answer any questions. As an added bonus Tea and pastries will be served. **Equipment needed:** eye and ear protection

### **Ladies Self Defense**

Designed to prepare women for a physical confrontation. Ladies will be taught situational awareness and defensive tactics. This course primarily uses open hand techniques. Pistol techniques will be taught at the end of the course as requested. **Equipment needed:** none
