### Dear Members and Friends

It has taken a while to get this newsletter out to you, but here it is at long last. We have been so busy with the new baby and the courses and competitions. We hope you have all checked out the new Website at **www.tacproshootingcenter.com** It has our calendar of events and a news section to keep you up to date so check it out regularly. Talking about keeping up to date, we have had to change a few dates, so take note, the next **3 Gun Tactical Match** has been moved to **Sunday September 23** and don't forget to get your entry in early to save yourself \$10.

The last 3 Gun Tactical Match in June was a great success and lots of fun. The Match winner was James Darst and the Runner up was Bill Byrom. Thank you to all the range officers, especially the Match Director, Mike Harris.

Next **Members Day** will be on **October 27** and is free to all members and their guests.

Most of the ranges will be closed on September 9 and 10 as **AO Sight Systems** are holding a Sight seminar for Law En-

forcement here at Tac Pro Shooting Center.

Thanks to Rick Fangman, Larry Strong, and Jim Roberts who have also been a great help in putting up Bill's new reloading room.

We had a problem at the end of July with a computer virus, and we apologize to anyone who received the virus from us. We have updated our virus protection software and hope this doesn't happen again.

We are in the process of putting up a new sign at the front gate and getting the roads fixed in the next few months. Progress is slow but sure.

Stay safe and keep practicing ,

**Bill and Alice**

## MEMBERSHIP RENEWAL

Some of you have been receiving letters letting you know that your annual membership fees are due. We are very pleased with the great response and prompt replies we have received from our members. Without your support, we would not be here!

Don't worry about receiving an acknowledgment of receipt of renewal, if we have received your dues, we have it in the computer and you will continue to receive your newsletters and discounts. Anyone who still hasn't had their t-shirt, or ID

badge or membership pack can just remind us when they come in and we will do that for you. Don't forget, if you don't renew, you don't get the benefits of membership.

**Thanks for your continued support.**

## SPORTING CLAYS CLINICS

Although you have never met Alice's father from Wales, UK, John Bond has been a renowned shotgun instructor for the BASC (British Association for Shooting and Conservation) for over 25 years as well as holding his own corporate clay pi-

geon shoots for clients such as Jaguar on his countryside estate in Wales. John will be visiting Texas to see the family (and do a little hunting!) and is offering to instruct a sporting clays clinic whilst he is here sometime in October (dates to be confirmed). If you

are interested in receiving instruction from one of Britain's top instructors, please call us and let us know so we can reserve you a place as numbers will be strictly limited. If you enjoy dove, pheasant or quail hunting, this is an opportunity not to be

## 1000 YARD SHOOTERS

If you haven't already noticed, we have redone the 1000 yard platform by, basically, cutting the top of the hill off! We are hoping

this is a better situation and we will soon be adding 900, 800 and 600 yard platforms.

A big Thank you to Ron Philips and

Mike McDonald for getting the Wind Flags up on the 1000 yd range.

Remember, you must be "1000 yd qualified" to shoot
