**THANK YOU  
FOR ALL YOUR  
SUPPORT  
BEST WISHES  
FOR 2005**

### Dear Members and Friends

Here we are at the end of another year. We hope you had a good Thanksgiving and are getting ready for the Christmas holidays. Don't

forget we have Gift certificates available for those friends and family that have everything. There will be an increase in the cost of the courses in 2005 but members will still get the 10% discount. Membership dues are being kept the same for 2005 and we are a bit behind with sending renewal

letters so you might get a letter soon. We appreciate all the support we have had from our friends and members who have helped us build a

great facility for all to enjoy. We provide a place for all men, women and children to shoot most firearms and get good training at a reasonable price. If you haven't been out here recently you are in for a surprise. We have had the bulldozers working to straighten up and tidy the 100yd and 200yd ranges and we now have two concrete pads with covered firing points for 5 benches at 100yd and at 5 benches at 200yds as well as a nice new large parking lot. The second layer on the tower is nearly finished also.

We will be CLOSED on Christmas Eve and Christmas Day this year, but we will be open on Sunday 26th for business as usual.

Finally, you may have noticed Bill's absence for a while. He has been working all over Europe and Central Asia on various jobs. Therefore we have postponed some classes to allow him time to get back here and get back into teaching mode. Please understand this delay as we are not sure quite when he will be back as yet. Please keep him in your thoughts and prayers.

Merry Christmas and Happy New Year to you all.

Stay safe and keep practicing

Bill and Alice Davison

## ACCURACY INTERNATIONAL

We are still the largest stocking dealer for Accuracy International Rifles and accessories in the USA. We occasionally get consignment rifles in at great prices and try to let members know

first of the awesome deal. If you might be interested in a used AI rifle please let us know so that when one comes up we can let you know quickly as they don't last long. Don't forget that

we also stock Nightforce and Schmidt Bender scopes which compliment the AI rifles nicely. We can help you build a rifle system from a Remington action and an AICS.

## TSU RIFLE TEAM EVENTS

Tarleton State University Rifle team is holding two events in March to raise funds to help them get to compete at Camp Perry in

Ohio in the Summer. The Turkey Shoot is made up of several fun shoots and is open to any rifles except magnum caliber's and will be held on the 5th.

The Vintage military Rifle and M1Garand match is on the 12th. More details are on their website [colleghighpower.org](http://colleghighpower.org)
