Dear Members and Friends

We hope you had a wonderful Thanksgiving and are getting ready for

Christmas. It has been a while since the last newsletter and lots of things have happened. We have finally built and opened our **NEW STORE !**

Come and see what we have in stock – this is not your average gun store. We have guns and ammunition (great prices on Black Hills Ammunition), but we also have cool gear like Spec-Ops brand, Blackhawk, Nightforce scopes, Schmidt and Bender scopes,

Cold Steel Knives and Accuracy International. The 3 Gun Match in October was a huge success. The winner was James Darst and Match runner up was Bill Byrom. As usual, the courses of fire were awesome and the prize table packed. Thanks to all the Match designers, builders and range officers for all their hard work. Hopefully there should be an article in SWAT magazine about the match soon.

Snipers Paradise
Sniper Challenge was

held at the end of October. That was an amazing display of professionalism and extremely tough shooting. They utilized the tower and every part of our 550 acres to provide challenging events. Todd Hodnett 1st, Bill took 8th place and he and his partner Dean Thompson took 7th team place. Bill also attended the “Rifles Only” competition in Kingsville Texas at the end of November and took 3rd place. Congratulations to Todd Hodnett who took 1st and JC who took 2nd.

Stay safe and keep practicing
Bill and Alice Davison

like to thank Roger

Beam who built it
and Dean Tucker
who did such a good
job of all the weld-
